WHAT'S NEW IN SALONBIZ CENTRAL

Hey, good looking! SalonBiz Central has a new look, improved navigation and a few new features we want you to know about.

STATS

Compare each stat to the previous period's value, view an individual stat for all staff at a glance, and even see your totals for the entire year!

POCKET SALON

We've added Pocket Salon to the navigation for your guest care team to access these important options, without needing admin access.

TEMPLATES

Beautiful, customize-able email templates are here! You'll find them under the Communications menu.
